

ORDINANCE NO. 3102-23

AN ORDINANCE ESTABLISHING A SCHEDULE OF RATES TO BE CHARGED FOR NATURAL GAS SERVICE FURNISHED BY THE COMBINED UTILITY SYSTEM OF THE CITY OF NEBRASKA CITY, NEBRASKA; TO REPEAL ORDINANCE NO. 3032-19 AND ALL OTHER ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT WITH THIS ORDINANCE; AND TO DECLARE AN EFFECTIVE DATE.

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF NEBRASKA CITY, OTOE COUNTY, NEBRASKA, AS FOLLOWS:

SECTION 1. That the rates and charges for natural gas service furnished by the Combined Utilities System of the City of Nebraska City, Nebraska, are established and shall become effective on July 1, 2023 as shown below.

- A. UNIFORM PROVISIONS.** The following provisions shall be effective for all rates included in this ordinance.
1. Effective Date: All charges imposed through this Ordinance shall be effective with billings rendered after July 1, 2023 as shown in Subsections B, C, D, E, F, G, and H hereof.
 2. Rates and Charges: All bills shall be based upon the customer charge per month, plus the charges for demand and consumption, or other charges as applicable.
 3. Minimum Bill: The minimum bill will be the customer charge in all rate classifications except Business "B" where the minimum bill will be the demand charge, but not less than the customer charge.
 4. Purchased Gas Cost: All rates are subject to the Purchased Gas Cost (PGC) Charge as set forth in Section 2, except the rate for large volume firm transportation service.
 5. Term of Payment: All bills are due and payable on date as indicated on bill. The Delayed Payment charge is five (5) percent of the amount due.
 6. Seasons: Applicable to bills for usage in the seasons as shown below:

Summer:	May through September
Winter:	October through April
 7. Urban shall mean customers located within the city limits of Nebraska City, Nebraska.
 8. Rural shall mean customers located outside of the city limits of Nebraska City, Nebraska.
 9. Contract Term: All non-residential users which elect, by signed request, to be served by Nebraska City Utilities, shall thereby agree to a service commitment of not less than a twelve-month duration, renewable automatically and indefinitely until cancellation by consumer.
 10. Customer requests for a different Rate Schedule: If more than one rate schedule is applicable, the consumer shall have the right and responsibility to choose the rate schedule, which is most advantageous. Consumer may not request a change in rate schedule more than

once in any 12-month period, unless otherwise agreed by Nebraska City Utilities.

11. Rules and Policies: All usage is subject to all rules and policies of Nebraska City Utilities.

B. RESIDENTIAL - URBAN RATES.

1. Residential - Urban (Summer):

July 2023

Customer Charge (Per Month):	\$19.00
Delivery Charge (First 75 ccf Per ccf):	\$0.1899

- c) All requests for service must be submitted in accordance with, and meet the requirements of, the policies and regulations of Nebraska City Utilities.
- d) Customer may be responsible for the cost of installation of an electronic meter, accessible with the Nebraska City Utilities' SCADA equipment.

SECTION 2. When a rate schedule provides for the application of a "Purchased Gas Cost," (PGC) all gas used in that billing period will be subject to such adjustment and shall be determined as follows:

Purchased and produced gas costs shall be calculated for each month, summer and winter season, or as otherwise deemed appropriate by NEBRASKA CITY UTILITIES, to reflect the cost of gas less delivery and storage costs from Wholesale Suppliers. For these purposes, the PGC shall mean the total purchased cost, excluding all transportation, and storage related charges divided by the retail billing CCF from the billing period that covers most closely the retail billing period. Said calculations and adjustments for short-fall or excess from previous month's revenue recovery of the PGC shall be made and become effective with the first billing of each month or as NEBRASKA CITY UTILITIES otherwise deems necessary to fully recover additional gas supply costs.

SECTION 3. In the event of the imposition of any new tax or the increase of any existing tax, franchise fee, or any increase in payments in lieu thereof, by any lawful authority; or in the event of increased costs of operation, the gas bills determined by Section 1 of this ordinance may be increased by the amount of such tax or by such increased costs of operation.

SECTION 4. That Ordinance No. **3032-19** and all other ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 5. This ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law and city ordinance.

PASSED AND APPROVED this 3rd day of July, 2023.

Mayor
