Attached is an Electronic Funds Transfer (ACH/EFT) Form. Please complete this form and return it as soon as possible. Once your account has been set up for automatic bank payment, your billing statement will indicate that by displaying "Paid by Bank" under the notes section, to the right of the statement date. The funds will automatically be withdrawn from your account on your due date. If the due date falls on a weekend or a holiday, it will be pulled out the next business day.

Please pay any previous balance before starting the ACH/EFT. You may pay with a debit card, credit card or e-check on our website at www.nebraskacityutilities.com or with the automated phone system at 1-833-250-4481. You may also mail a check to PO Box 670, Nebraska City, NE 68410-0670.

If you have any questions as to when your bank draft will go through the bank, whether this is a new bank draft for you or if you changed banks or account numbers, or you would like to add another utility account, please contact us at 873-3353.

Thank you,
